

STROKE AND ANEURYSM VIRTUAL MEETING

WEB MEETING

October 30-31, 2020

Scientific Organizers

A. Biondi, F. Causin, I. Linfante, M. Muto, H. Riina

LECTURES (On demand)

Thirty years from first aneurysms coiling. Memorabilia from 1990: from the beginning to nowadays *J. Moret*

New devices with reduced thrombogenicity. Reality and lab data. *L. Valvassori*

Fusiform and giant aneurysm: something new? *N. Kocer*

By pass and surgical treatment for fusiform and giant aneurysm. *M. Lawton*

Bifurcation aneurysm: EV treatment *S. Mangiafico*

Blister like aneurysm: EV acute treatment. *I. Saatci*

Should I treat small and medium URA? *H. Riina*

How I choose my stent for IC aneurysm *M. Aggour*

Novel Dual Antiplatelet Regimens in Acute Endovascular Interventions. *I. Linfante*

Stent and endosaccular device in acute aneurysm treatment. *A. Biondi*

When can we consider heal an aneurysm treated with coils, endovascular device and FD stent *W. Brinjikii*

Posterior circulation aneurysm: are they different? *G. Lanzino*

Vessel wall imaging: myth o reality? *F. Causin*

Embolization Protocols, Angio-Suite Setup, Post-Treatments & Follow-Up. *E. Ciceri*

World's First Robotic IC Aneurysm Embolization *V. Pereira*

Progress managing cerebral vasospasm. *F. Turjman*

Surface modification for flow diversion and the treatment of ruptured aneurysms *A. Arthur*

Current diagnostic approach and international guidelines for ischemic stroke. *M. Castillo*

To treat or not to treat: this is the problem. *M. Goyal*

Radial and atypical approach for stroke treatment. *P. Jabbour*

The impact of new devices on stroke treatment. *M. Muto*

Tandem lesions: best way to treat them. *P. Machi*

Paediatric haemorrhagic stroke treatment. *G. Rodesh*

Paediatric ischemic stroke treatment. *P. Muthusami*

Posterior circulation stroke treatment. *H. Riina*

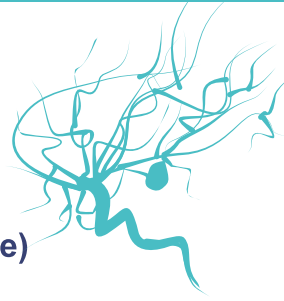

AI in stroke treatment. *V. Pereira*

Stroke in the field – Idealized networks and triage. *J. Hirsch*

Oxygen Carriers and other Neuroprotective

Strategies in Acute Ischemic Stroke. *I. Linfante*

Can we By pass conventional imaging in angio suite? *P. Jabbour*

AND
ANEURYSM
**VIRTUAL
MEETING**

October 30-31, 2020
WEB MEETING

SPEAKERS WEBINAR CLINICAL CASE (Live)

SESSION I October 30, 2020 8.00-10.00 p.m. CEST

Moderator A. Taylor

Case 1 H. Riina

Case 2 M. Muto

Case 3 A. Brook

Case 4 O. Mansour

SESSION II October 31, 2020 2.00-4.00 p.m. CEST

Moderator P. Vilela

Case 1 I. Linfante

Case 2 F. Causin

Case 3 S.K. Lee

Case 4 E. Ciceri

SESSION III October 31, 2020 8.00-10.00 p.m. CEST

Moderator N. Kocer

Case 1 A. Biondi

Case 2 M. Aggour

Case 3 G. Lanzino

Case 4 J.C. Gentric
